

GABRIELE BIANCO

UI/HMI DESIGNER

3D DESIGNER

ABOUT

My name is Gabriele and I'm 24 y/o. I graduated with a Bachelor's in Transportation Design at IAAD (Turin) in July 2023 and now I work as a designer at a young cross-disciplinary studio in Turin.

During my free time I like to draw, sometimes I read comics and watch anime. I really like to take long walks, so I often go on foot.
